Why This Matters

As organizations face leadership gaps, burnout, and increased demand for inclusive leadership, this annual event responds to the urgent need to empower, honor, celebrate and connect women leaders for collective impact.

The Experience! For Women in Leadership honors diverse women in various industries who influence teams, organizations, and communities.

Dr. Ro VISIONARY

Dr. Ro, is the founder of DREAM Education, a boutique consulting firm committed to intentional leadership development and educational equity by creating spaces where individuals and organizations grow through strategy, learning, and purpose-driven action.

Launched in 2023, The Experience! For Women In Leadership is an annual event offering an opportunity for diverse women leaders to gather, grow and connect for collective impact. With an anticipated 300 guests and presenters, I welcome you to partner with us in support of women in leadership!
